DISCUSSES PENAL LAWS

House Adopts Amendment to Bar In-

toxicants From Mails.

Washington, Dec. 17.—Another step toward amending the rules of the house was taken when the various elements of the house opposed to the present code held a mass meeting. The report of the committee appointed at the meeting of "insurgents" last week was submitted, although the committee had had a most difficult time in reaching an agreement.

Colonel Hepburn of Iowa, chairman of the committee, informed the gathering, which was much smaller than that of last week, that the committee had decided that some change in the method of selecting committees in the house was desirable. He said that the committee also had agreed that the rules should be changed so that one day each week would be set aside for the call of the committees, and that the day should be given over exclusively for that purpose.

Napoleon Bank Assigns.

Napoleon, O., Dec. 17.—Men cried and women faint in the streets of Napoleon when they found a notice of assignment posted on the doors of the Citizens' State bank. Dramatic scenes were enacted as the streets rapidly filled with residents of the town and farmers drove in to draw money with which to pay their taxes. D. D. Donovan was named assignee. President Miller of the bank is now confined in a hospital in a Minnesota town. Excessive loans to the Ohio German Fire Insurance company is assigned as the cause of the bank's failure.

Makes Refusal Emphatic.

Washington, Dec. 17.—President Roosevelt emphatically told a delegation of West Virginia congressmen and friends that they were "wasting time" to recommend to him the name of the brother of Judge Peter Grosscup to be collector of internal revenue.

MARKED FOR DEATH.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bae, Kv. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at Phillips Drug Store. 50c and \$1.00. Trial bottle free.

You Cannot Answer These Questions!

1—Why do you continue bathing your knees and elbows one at a time, when you can stretch out in a full bath tempered to suit you, and can do so every morning if you wish?

2—Why pump and carry water for your kitchen and laundry work when you can have it at hand for the turning of a faucet?

3—Why take chances on drinking germ-filled cistern water when you can get it from a large reservoir filtered through the best filter plant South of the Ohio River?

4—Why have a dry, dismal-looking yard when you can have it filled with green grass and blooming flowers, and can at the same time get rid of the dust in the street?

5—Why suffer other inconveniences when you can have everything for the comfort and health of your family right in the house?

6—Is it not true that the answer is not "lack of money," but lack of economy and enterprise and indifference to getting the most out of life?
